

Children's Charter

The **Kingsway Children's Charter** is a designated budget from the pupil premium to extend children's horizons and experiences so that by the time they leave a Kingsway Trust school they will have experienced:-

THE NATURAL WORLD

Reception - A farm

Year 1 - A forest

Year 2 - The seaside

Year 3 – The countryside/National Trust park experience

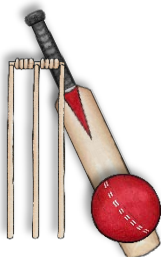

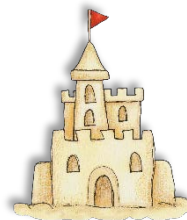

THE CULTURAL/ARTS WORLD

Year 4 – A live orchestra event

Year 5 – A water sport experience*

They will also have visited **6 different places of worship** alongside the study of Hinduism, Judaism, Islam, Christianity, Sikhism, Buddhism.

The full cost of these trips is met by school but we welcome voluntary contributions towards the cost where parents would like to contribute to ease funding at the school.

We also heavily subsidise the following experiences:

- **Year 4 - An overnight residential**
- **Year 6 Going on a weekend outdoor pursuits residential at Ghyll Head**

*The water sport experience has a cost to parents but is heavily subsidised.
